<ADDRESS>

<CITY>, <STATE><ZIP>

Dear <NAME>:

Thank you for your support of WKAR. We want to share with you other great opportunities to get involved with the station.

One way many people enjoy getting involved with WKAR is by volunteering. WKAR is always in need of volunteers.

Radio pledge drive campaigns alone can use up to 25 people per day for the course of the pledge drive. Other volunteer programs include festivals and events and Radio Reading Service.

WKAR has a presence at many summer festivals throughout Michigan for shows like *Backstage Pass*. Volunteer opportunities at these events include working at a WKAR station booth or handing out promotional materials on the street.

Another opportunity to volunteer is WKAR's Radio Reading Service. RRS needs volunteers 7 days a week to read grocery ads, newspapers, shopping ads, and record novels or short stories for our many handicap listeners.

For more information on volunteer opportunities at WKAR, please contact me by phone or email.

Sincerely,

Shadonna Crosby  
Assistant Director of Development
